Dear Dr. Mark Brynairski,

I just wanted to take a moment to thank you. It has been my sincere pleasure meeting you, and having you as my physician. Your assistance with my worker's compensation injury has not gone unappreciated either. I cannot tell you how grateful I am for your help, and the help of Theresa. You took the time to listen to me, and spent your precious time to help me out during a difficult time. I wish you and your family the best in Arizona, and I know you will be missed. I'm sure Theresa will keep in touch with you, and who knows, maybe I can still have you do my surgery down there. It's a wonderful place to get away from the winter in Colorado! Take care.

Sincerely,

Natalie Isaac
