

Dear Mark,

Thank You again for everything you did for Teresa. She feels better than she can ever remember. Teresa is back to work (Full Time) and has already received a Promotion. Our lives are back to normal, and this Year we are going to celebrate our Anniversary in Florida, and not in a Critical Care Unit.

As I stated on the envelope of the Gift Card, you have given my Wife and my Life back as it was when I first met her. You will always be a friend of mine and hope to see you again. (But not in the Hospital)

If you are ever back in Indianapolis, please call me if you would like to have Lunch. And you also welcome to use my Ferrari while you are in Town. Thank you again for every thing.

Michael
